Treasurers Email:		treasurer@yorkmodelengineers.co.uk							
Communication		The Club sends out a regular Newsletter and Announcements as required to your email address. These are sent by email, to save postage and printing costs.							
Club Rules		These are kept to the minimum, but there are a number that cover safety to you and others, particulars operating machinery and adhering to government guidelines. You will be issued with a Membership card and Lanyard, which you should wear when you are on site. A current membership Card acts as your Share Certificate for that year.							
Covid, Health and Safety		All members are responsible for both their own and others safety. If you see a potential danger, alert others.							
Membership Records		The Committee is working to improve our records and will in due course record this information on your Membership card. We expect this will include items like Boiler Certificate dates, Qualifications to operate Tractor, Chainsaw, Lathe, First aider, to Act as Driver, Guard, etc. Unless you advise otherwise, by joining, you agree to us making your contact details available to other members within the Club.							
Declaration		I agree to abide by the Rules of the Club							
Signed						Date			
Data Protection Act 2018									
The above data is held in a centralised password protected database of all Society members. The email data is stored on a secure encrypted server that provides us with the email forward system we are using. You may remove your personal information from the system at any time by using the unsubscribe link in the footer of any group email you receive. We will use this data to advise you of Society activities, circulate Committee paperwork, provide information to our insurers, etc. We do not share your data with third parties, nor do we use any automated profiling or sorting of personal data. We will retain your data for as long as you subscribe to the Society or until you ask us to delete your records. You have the right to see the data we hold on you and to correct it.
